

My Black Belt Promise

I'm on the way to my Black Belt
I'll Stand up whenever I Fall
I Know I have Brilliance within me
A Shining Example to all

I'm on the way to my Black Belt
I'll Learn, and I'll Grow, and I'll Care
With Courage and Strength, I'm Determined
My Passion will Carry me there

I'm on the way to my Black Belt
It will be the Biggest of Quests
I know it's going to be worth it

Being my Black, Belt, Best!
